AUTHOR Hurlbat, B.; And Others

TITLE Learner's Mongol-English Dictionary.

INSTITUTION Peace Corps (Mongolia).

PUB DATE May 93

NOTE 58p.; May not reproduce well due to heavy type.

PUB TYPE Reference Materials -

Vocabularies/Classifications/Dictionaries (134)

LANGUAGE English; Mongolian

EDRS PRICE MF01/PC03 Plus Postage.

DESCRIPTORS Competency Based Education; Cyrillic Alphabet;

Definitions; *Dictionaries; English; Foreign Countries; Grammar; *Mongolian; *Second Language Learning; Uncommonly Taught Languages; Vocabulary;

Voluntary Agencies; Volunteer Training

IDENTIFIERS *Bilingual Dictionaries; Mongolia; Peace Corps

ABSTRACT

This dictionary is designed for use by Peace Corps workers in Mongolia, and reflects daily communication needs in that context. An introductory notation gives the alphabetical order of the Cyrillic alphabet, and subsequent sections list words and stems in Mongol, noting the part of speech, and giving simple (one to several words) English definitions. (MSE)
